

MAXIM[®]

Glass Cleaner

Features:

Ready to Use Aerosol

Ammonia Free

Safe on Plastic and Most Hard Surfaces

Description

This product is a multi-purpose hard surface cleaner that effectively cleans glass, mirrors, hard surfaces, and is safe to use on all plastic. This product is streak free, pleasantly scented, and non-ammoniated.

Directions

For glass and multi-surface cleaning:

- 1 Shake well before using.
- 2 Hold can upright, about 4 - 6 inches from surface.
- 3 Spray sparingly in a sweeping motion.
- 4 Wipe dry with a clean, lint-free cloth or paper towel.

Applications

Glass & multi-surface cleaner for:

- > Windows and mirrors
- > Countertops and linoleum
- > Hard vinyl automotive surfaces
