

## Eco Chute & Dumpster

### Features:

**Spray & Go**

**Bio-Active Digestant**

**With Citronella Oil**

### Description

Natura® Eco Chute & Dumpster is EcoLogo™ Certified to Cleaning and Degreasing Compounds - Biologically-based, UL 2792. Eliminate the hassle of cleaning dumpsters, garbage cans, and surrounding areas. This product quickly breaks down grease and other organic soils while reducing the noticeable smell of garbage. Works on walkways, loading docks, and concrete pads underneath the dumpster. Cleans the entire dumpster area in less than 5 minutes. Suitable for use in non-processing and/or exterior areas of food processing establishments. Do not contaminate water, food or feed by storage, use or disposal.

### Directions

*Read and understand label and Safety Data Sheet (SDS) before use.*

*DO NOT MIX with anything but water.*

*This product may not be effective in the presence of chemical sanitizers such as formaldehyde or chlorine bleach.*

*Do not contaminate water, food or feed by storage, use or disposal.*

*Prevent run-off from entering storm drains or groundwater.*

*Dispose of unused product in accordance with local, state and federal regulations.*

### Personal protective equipment:

*Use eye and hand protection when using this product.*

### To use sprayer:

- 1 Connect sprayer to garden hose. Sprayer is preset to dispense 2 oz. of product per gallon of water. Release safety latch and rotate knob.
- 2 Spray surfaces liberally without causing runoff. Allow to air dry.

### For dock areas and trash cans:

Spray three times a week to eliminate and prevent build-up of slippery soils and grease.

### For dumpsters:

Spray when dumpster is freshly emptied, coating all interior surfaces as well as outside on the surrounding area. Repeat weekly as needed.

### Applications

#### Odor neutralizer for:

- > Dumpsters and garbage cans
- > Loading docks and concrete pads
- > Sidewalks

### Specifications
